Information for the registered medical practitioner

Regulation 16 (10) of the Local Government Pension Scheme Regulations 2013 provides that:

An administering authority may require an active member to produce a report by a registered medical practitioner of the results of a medical examination, undertaken at the member's own expense, and may refuse an application to make arrangements under paragraphs (1) to (4) [purchasing additional pension through regular contributions or a lump sum] if that authority is not satisfied that the member is in reasonably good health.
